ATTENDANCE

Attendance is a critical factor in school success for students. Studies have shown that consistent school attendance, academic success, and school completion have a positive correlation. The educational process requires continuity of instruction and students need to experience classroom discussions, debate, and independent study in order to increase achievement. The purpose of East Nicolaus Joint Union School District's attendance policy is to ensure the maintenance of an adequate record of verifying the attendance of all children during days of instruction and to establish a mechanism by which the patterns of pupil absence can be examined to develop effective intervention strategies. This procedure will permit each school to know the whereabouts of every student for safety and school management reasons and will help students succeed at meeting the California State learning standards.

BOARD POLICY 5010.6 - ABSENCE AND TARDY PROCEDURES

If it is necessary for a student to leave the school during the school day, that student must obtain official permission to do so. Early dismissal passes are available at the office. Early dismissal passes will be issued when the office receives a phone call from parent/guardian or when a student brings a note from his parent/guardian asking that the student be excused. Permission to leave school for lunch only will be denied. Students must attend at least 50% of all classes on a given day in order to participate in any extracurricular activity unless he/she has a legitimate excuse as determined by administration. Legitimate excuses include doctor, dentist, or optometry appointments, funerals or court appearances. All absences must be accompanied by written notification in order to attend extracurricular functions.

ABSENCES

East Nicolaus Union School District is working to improve our student's attendance and the process we use to verify absences. Your attendance is very important to us. If you are not here you cannot participate in the learning activities of the day. There is also a financial impact of students being absent. Each day a student is not in attendance, a school loses money regardless of the reason or purpose of the absence. Money is vital to keeping our programs such as academic support, elective programs and athletics strong. **We highly recommend that every student attend a portion of every school day.** If an absence is unavoidable, the following steps should be followed. These steps apply to every absence, excused or not excused, all day, or partial day:

1. When a student is absent, a parent or guardian must call the office the morning of the absence, giving the reason for the absence.
2. When the student returns to school, they need to pick up a readmit slip in the Front Office. If a parent or guardian did not call the school, the student needs to bring a written note. If a student does not have a note or a parent/guardian has not cleared the absence personally or by phone, the student will be issued a "Cut/Note Pending." A student then has 3 days to bring a note or have parent contact the school to clear the absence. If the cut/note pending window closes without the absence being cleared, the student will be assigned to Saturday school.

Any absence due to illness lasting three (3) or more consecutive school days **must** be cleared by a written doctor's note. Vacations, shopping trips, or any absence other than illness or religious reason are technically unexcused absences as identified in the California Education Code.

METHOD OF VERIFICATION

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences.

1. Written note from parent/guardian, parent representative, or student if 18 or older, if letter on file in the Attendance Office. (Education Code 46012)
2. Conversation, in person or by telephone, between the verifying employee and the student's parent/guardian. The employee shall subsequently record the following:
 - a. Name of student
 - b. Name of parent/guardian or parent representative
 - c. Name of verifying employee
 - d. Date or dates of absence
 - e. Reason for absence
3. Visit to the students home by the verifying employee, or any other reasonable method which establishes the fact that the student was absent for the reasons stated. A written recording shall be made including information outlined above.
4. Physician's verification

- a. When excusing students for confidential medical services or verifying such appointments, district staff shall not ask the purpose of such appointments, but may contact a medical office to confirm the time of the appointment.
- b. When a student has had 10 absences in the school year for illness verified by methods listed in #1 - #3 above, any further absences for illness must be verified by a physician.

EXCUSED ABSENCES (STUDENTS)

A student's absence shall be excused for the following reasons:

1. Personal illness (Education Code 48205)
2. Quarantine under the direction of a county or city health officer (Education Code 48205)
3. Medical, dental, optometric, or chiropractic appointments (Education Code 48205)
4. Attendance at funeral services for a member of the immediate family (Education Code 48205)
 - a. Excused absence in this instance shall be limited to one day if the service is conducted in California or three days if the service is conducted out of state. (Education Code 48205)
 - b. "Immediate family" shall be defined as mother, father, grandmother, grandfather, spouse, son/son-in-law, daughter/daughter-in-law, brother, sister or any relative living in the student's immediate household. (Education Code 45194,48205)
5. Jury duty in the manner provided by law (Education Code 48205)
6. Participation in religious instruction or exercise in accordance with district policy.
 - a. In such instances, the student shall attend at least the minimum school day. (Education Code 46014)
 - b. The student shall be excused for this purpose on no more than four school days per month. (Education Code 48205)

In addition, a student's absence shall be excused for justifiable personal reasons. Advance written request by the parent/guardian and approval of the principal or designee shall be required for absences for: (Education Code 48205)

1. Appearance in court
2. Attendance at a funeral service – immediate family funeral
3. Observation of a holiday or ceremony of his/her religion
4. Attendance at religious retreats for no more than four hours during a semester
5. Employment interview or conference

In addition, if a student is the custodial parent of a child, his/her absence shall be excused when the child is ill or has a medical appointment during school hours. (Education Code 48205)

All other absences are considered unexcused and will be identified as unexcused or truant. Students may not be allowed to make up work missed during an unexcused absence. This may lead to the reduction of a student's grades. If a student will be absent due to a planned appointment or vacation, students must notify their teacher's at least three days prior to the absence and parents must notify the office of the planned absence.

Truancy

1. Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Superintendent or designee. (Education Code 48260). After five (5) unexcused absences, the student and parent may be required to attend a meeting with the School Attendance and Review Board through Sutter County.

The parent/guardian of a student classified as a truant shall be notified of the following: (Education Code 48260.5)

- a. The student is truant.
- b. The parent/guardian is obligated to compel the student to attend school.
- c. The parent/guardian who fails to meet this obligation may be guilty of an infraction of the law and subject to prosecution pursuant to Education Code 48290-48296.
- d. The parent/guardian has the right to meet with appropriate school personnel to discuss solutions to the student's truancy.
- e. The student may be subject to arrest by a probation officer, a peace officer, a school administrator, an attendance supervisor or his/her designee under Education Code 48264 if found away from home and absent from school without a valid excuse.
- f. The student may be subject to suspension, restriction or delay of his/her driving privilege pursuant to Vehicle Code 13202.7.

- g. It is recommended that the parent/guardian accompany the student to school and attend classes with the student for one day.
2. Upon his/her first truancy, a student may be given a written warning by a peace officer. A record of this warning may be kept at school for at least two years or until the student graduates or transfers from the school. If the student transfers, the record may be forwarded to the new school. (cf.5125-Student Records)
3. Upon his/her second truancy within the same school year, a student may be assigned to an after-school or weekend study program within the county. If the student fails to successfully complete this study program, he/she shall be subject to item #5 below.
4. Upon his/her third truancy within the same school year, a student may be referred to, and required to attend, an attendance review board, a truancy mediation program established by the district attorney or the probation officer or a comparable program deemed acceptable by the Superintendent or designee. If the student does not successfully complete the truancy mediation program or other similar program, he/she shall be subject to item #6 below.
5. Upon his/her fourth truancy within the same school year, the student shall be classified a habitual truant as defined in Education Code 48262. (Education Code 48264.5) A habitual truant may be referred to a school attendance review board or to the probation department. (Education Code 48263) When a student is referred to a school attendance review board or to the probation department, the Superintendent or designee shall provide the student and parent/guardian, in writing, the name and address of the school attendance review board or probation department and the reason for the referral. This notice shall indicate that the student and parent/guardian will be required, along with a district staff member, to meet with the school attendance review board or probation officer to consider a proper disposition of the referral. (Education Code 48263)
6. If a student in grades 7-12 has been judged by the county juvenile court to be a habitual truant or habitually insubordinate or disorderly at school, or if a student has been required by the court to attend school as a condition of probation, the district shall inform the juvenile court and the student's probation or parole officer, within 10 days, whenever that student is insubordinate, disorderly at school, or truant or tardy without a valid excuse. (Education Code 48267)

The Superintendent or designee shall gather and transmit to the County Superintendent of Schools the number of referrals and types of referrals made to the school attendance review board and the number of requests for petitions made to the juvenile court. (Education Code 48273)

TARDINESS

After the class bell rings, any student not present, seated and ready to work or follow instruction will be counted tardy. A tardy to class becomes an unexcused absence after 30 minutes.

There is no such thing as an "excused" tardy. Students held over by a teacher in the prior class who bring a note from that teacher, or students who are held in the office by the principal, vice-principal or counselor will not be considered tardy to their next class. Students who are habitually tardy may be subject to more severe disciplinary action including Saturday School and/or in-house suspension and revoking of Interdistrict Transfer.

BUS/VAN RULES

The following school bus safety rules are based upon the "Regulations for Pupil Transportation" as set forth by the State Department of Education and the California Highway Patrol to govern the operation of the school buses.

1. Each pupil may be assigned a definite seat and shall not be permitted to move from the assigned seat except upon permission from the driver.
2. No part of the body, hands, or arms may be extended out of the windows.
3. Pupils must sit up in the seat and face the front of the bus, keeping feet out of the aisle.
4. No pupil is permitted to interfere with another pupil or to molest the property of another pupil.
5. Playing musical instruments, whistling, yelling, talking too loudly, using profane language, throwing articles, shooting rubber bands, scuffling, or creating any other unnecessary commotion is prohibited. These are the most common disturbances that cause the driver to divert his attention from the road.
6. Any damage to the bus by a pupil, which cannot be considered ordinary wear and tear, must be paid for by the pupil.

7. Pupils are under the authority of the bus driver and shall comply with his/her instruction.
8. Students who ride to school on a bus are to return to their pickup point on the bus unless special permission from the parent/guardian is on file with the driver.

Students violating the school policy will lose privilege of riding the bus/van. This will include sports.

CITIZEN COMPLAINT

The East Nicolaus Joint Union High School District has primary responsibility for ensuring compliance with federal and state laws and regulations. Individuals, agencies, organizations, students, and interested third parties have the right to file a complaint regarding a public education agency's alleged violation of federal and state law including allegations of unlawful discrimination in specified programs and activities that receive state or federal funding. Such complaints include allegations that the local educational agency has failed to implement a student's individual education program (IEP). Complaints must be filed in writing with the appropriate compliance officer identified below. Complaints alleging discrimination must be filed not later than six months from the date the alleged discrimination occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, unless the time for filing is extended by the Superintendent of Public Instruction.

In accordance with adopted procedures, complaints will be investigated and a written decision sent to the complainant within sixty (60) days. If the complainant is not satisfied with the local educational agency's decision, the complainant may file within fifteen (15) days of receipt of the decision a written appeal with the California Department of Education in Sacramento, California. A copy of the local educational agency's policy and complaint procedures may be obtained free of charge through the superintendent's office.

Complainants also may pursue available civil law remedies, including, but not limited to, injunctions, restraining orders, or other orders in federal or state courts. Further information about such remedies may be available through public or private interest attorneys, the Sonoma County Lawyer Referral Service, Legal Aide Society, a mediator, or dispute resolution service.

DANCE REGULATIONS

1. Dances are open to all eligible students attending East Nicolaus Joint Union High School District. Students must attend at least 50% of classes all day on the day of a dance in order to attend. 2. School dances may not extend beyond 12:00 A.M. without School Board approval.
3. Each student is permitted to bring one guest, providing arrangements have been made to secure a guest pass from the Assistant Principal during school hours. The applicant who made the request for the guest pass must accompany the guest. In any event, guest passes must be obtained and returned to the Assistant Principal **five** days in advance of the dance. *NOTE: All guest passes must be signed by an administrator of the guest's school clearing that student to attend. Should the student not be enrolled in school, clearance may be made by administration. Any pass turned in incomplete or after the deadline will be immediate grounds for denial of the guest pass.*
4. Once a student or guest enters the dance, he or she will not be allowed to leave unless a parent makes prior arrangements with the administrator in charge. Loitering outside during a dance is not permitted.
5. The ENHS student requesting a guest pass accepts the responsibility for the conduct of the guest. Should a guest misbehave, that student's conduct would be reported to their school of record. Should a guest who is out of school misbehave, that person will be removed and barred from further ENHS activities.
6. All students are expected to conduct themselves as ladies and gentlemen. Anyone causing a disturbance or engaging in questionable actions will be asked to leave and prohibited from attending future dances.
7. Decorations for the dances should not be too elaborate. Students will not be excused from class to decorate for a dance. All plans for a dance are subject to the approval of the group advisor.
8. Prices for admission are to be set at a reasonable rate by the organization or club, which sponsors the dance.
9. Sponsoring organizations are responsible for the removal of decorations, complete clean up, and return of borrowed equipment before the start of the next school day.
10. School dress is appropriate attire for dances unless otherwise specified. Backpacks will not be permitted in dances.
11. A guest enrolled below grade nine or twenty years or older will not be admitted.
12. All students or guest of students will be subject to screening for the possession or use of any alcohol or controlled substance. Any student or guest found to be under the influence of these substances will be detained and referred to local law enforcement. A machine to measure the amount of alcohol in one's body may be utilized upon the discretion of the East Nicolaus Joint Union High School District Staff.

DELIVERING MESSAGES OR PERSONAL ITEMS

Since it is our desire to maintain a learning environment that is uninterrupted, the Office will not deliver items or messages to students in non-emergency situations. Students are responsible for bringing everything they need at the start of the school day. This includes homework assignments, study materials, uniforms, athletic equipment, and lunches. Please remind students of doctor and other appointments and transportation arrangements before the student leaves home in the morning. We appreciate your understanding that instructional time should not be interrupted.

DETENTION PROCEDURES

1. Detention shall be assigned for the listed violations under the Detention Policy. Referrals are for

more serious offenses.

2. Detentions are scheduled every Wednesday from 3:30-4:30 p.m. unless otherwise posted. *There will be no late admittance.* Students arriving after the start time will be denied access and will be issued a consequence for failure to serve detention.
3. If a student is unable to serve during the specified detention time, special arrangements may be made with Mr. Booth. Failure to prearrange special detention times will result in a further consequence as outlined in this section.
4. Students missing detention due to illness may be required to provide a doctor's note stating their illness or reason for missing detention.
5. Student will be notified of their upcoming detention at least one day prior to their scheduled detention. An all-call will also be sent to parents as a reminder.
6. Students shall arrive at the assigned detention with work to do. Sitting idly or sleeping will be deemed inappropriate behavior. The student will be excused and consequences for failure to serve detention will apply.
7. Failure to serve detention will result in the following action(s):
 - Suspension from all club or extra-curricular activities until the missed detention is made up. See Athletic Handbook for special athletic procedures.
 - Immediate assignment to the next Saturday school.
 - In-house Suspension

Progressive discipline will result for repeated violations or failure to serve detention as mandated by the assistant principal. A history of failure to serve detention will be considered willful disobedience, which may also result in suspension, transfer to the district continuation school program, expulsion, or revoking of Interdistrict Agreement.

SATURDAY SCHOOL PROCEDURES

In an effort to improve the learning environment and campus culture through greater accountability, Saturday school will be assigned for the following reasons: tardiness (6th tardy), per quarter, cutting class or truancy, missed detention(s), two served detentions with no improvement in behavior, continued dress code violations, three or more unexcused absences, and/or less severe infractions of school rules that undermine classroom rigor and student achievement. Saturday school may be assigned for non-disciplinary reasons such as being unprepared for academic classes/failure to complete assignments.

1. Saturday School will be held on the campus from 8:30am to 12:30pm every other Saturday or as needed.
2. Student will be notified of their upcoming Saturday school at least one day in advance. An all-call will be sent to parents as a reminder.
3. Basic rules for Saturday School:
 - Students must come with school work to do or they will receive an alternate assignment on character.
 - No late admittance.
 - No cell phones or electronic devices are allowed.
 - Dress code will be enforced at Saturday School.

DISCIPLINARY POLICY/DISCIPLINE PHILOSOPHY

Discipline and responsibility for one's actions is of utmost importance to students, parents and teachers. Responsibility is a learned behavior and discipline is one of the principles necessary to maintain a strong,

forward approach to a good education. Students need character development as they respond to authority.

A child's first encounter with authority is at home, and East Nicolaus High School believes that the basic responsibility for discipline resides within the home. Parents will, therefore, be informed when unusual circumstances needing disciplinary action arise. It is expected that there will be parental follow-through. With parental support, we can be of help to the student.

Discipline based on faith in the worth and dignity of each individual is a positive form of guidance, rather than a punishing device. Any form of discipline that impairs the student's self-worth should be avoided. The staff's role is one of being strong leaders and helping students grow toward self-discipline and responsible actions.

Discipline is maintained with firmness, consistency, and fairness. Our staff maintains standards of behavior in the classroom through kindness, concern, and a genuine regard for the students. When disciplinary action becomes necessary, it is firmly carried out, tempered with good judgment, and understanding. The staff will attempt to always use a system of progressive discipline with the idea to use the simplest way to achieve the desired behavior.

The East Nicolaus High School "Campus Community" will work together to create a positive, productive and safe environment, which will foster growth, responsibility and high educational achievement. Students are encouraged to follow the directions of teachers and other adults, demonstrate courtesy to all, and exercise self-control in their behavior.

RESPECT YOURSELF:

- Come to school and attend all classes
- Report to class on time with appropriate materials
- Dress appropriately
- Avoid bringing or possessing prohibited items
- Stay on campus during school hours

RESPECT OTHERS:

- Avoid using profane or obscene language or gestures
- Be courteous
- Respect others' viewpoints and cultural differences

- Theft of others' property is a crime
- Everybody has a right to learn.

RESPECT YOUR SCHOOL:

- Keep the campus clean
- Avoid damaging school property

DEFINITIONS OF DISCIPLINARY TERMS

INCIDENTAL WARNING - A verbal warning from a staff person or other school employee to a student about a specific problem or incident.

INFORMAL CONFERENCE - An informal conference is held between the student and teacher or between the student and administrator. It can be used to inform the student of unacceptable behavior or other situations. It may or may not be documented by the teacher or administrator.

TEACHER DETENTION - The teacher may keep a student for up to an hour outside of class time (C.A.C. Title 5, Sec. 353). The teacher needs to give at least 24 hours notice and must contact the parents. The detention may be served before school or for part of lunchtime as worked out by the teacher, student and parent. No record of the detention is kept by the office.

REFERRAL - With a referral, the student is sent to the administration and is removed from class. A referral results in a minimum of one (1) hour of administrative detention. The referral is kept in the office in the student's file. A conference between the teacher, administration and student will be scheduled. The parents will be contacted by the teacher.

FORMAL CONFERENCE - A formal conference is held with the student, parent and teacher or with the student, parent and administrator. In a formal conference, other school personnel may be present as is appropriate. The parents and student are informed of the problem and an agreeable solution will be discussed.

COMMUNITY SERVICE - State law authorizes the Administration to require a student to do community service (clean-up) on the school grounds during non-school hours instead of other disciplinary means (AB1714 Chapter 212 & Education Code § 48904(a)(1)).

ADMINISTRATIVE DETENTION - An administrative detention can be assigned by the teacher or administrator. Administrative detentions are served after school. The detentions are assigned in 1 hour increments. The assigning person will serve students assigned detention with an auto dialer notice in advance of the detention. Detentions are held as scheduled. Parents will receive verbal or written notification of detention. This reminder is the second notification. The school is not responsible for non-notification due to incorrect phone numbers supplied to the school by the student or their parent.

SATURDAY SCHOOL - In an effort to improve the learning environment and campus culture through greater accountability, Saturday School will be assigned for the following reasons: tardiness (6th tardy), cutting class or truancy, two assigned detentions have already been served with no improvement in behavior, continued dress code violations, and or less severe infractions of school rules that undermine classroom rigor and student achievement. Saturday School may also be assigned for non-disciplinary reasons such as being unprepared for academic classes/failure to complete assignments.

IN-HOUSE SUSPENSION - In-house suspensions are reserved for truancy offenses, or as an agreed upon consequence with parental input. In-house suspension will not be issued for issues related to drug or alcohol possession or use. The in-house suspension is up to 2 full-days assignment. The in-house suspension takes the place of an out-of-school suspension for minor offenses as well (e.g., detention).

SUSPENSION - A student is removed from school and may not attend any school functions for the time of the suspension. Suspensions vary in length from one day up to five days. Students placed on home suspension are not permitted on or near the school campus, nor are they allowed to participate in any school activities during suspension. They may, however, be required to complete assignments and tests, which will be made available to them. It is a teacher's discretion whether or not to accept assignments.

EXPULSION - A student is removed from school and is recommended for expulsion. The Board of Trustees will hold an expulsion hearing with the parents, student and others as is deemed necessary. When expelled, a student may no longer attend school within the East Nicolaus Joint Union High School District.

DRESS CODE

Board Policy (BP 5132) Dress And Grooming states that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction, which would interfere with the educational process.

The following ENJHSD dress code is in effect for all school events and activities.

1. Any pupil who comes to school without proper attention to personal cleanliness and neatness of dress may be sent home to be properly prepared before being admitted to class (CAC Title 5, Section 302)
2. Shoes must be worn at all times.
3. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
4. Clothes shall be modest, both standing and sitting, and adequately cover undergarments at all time. **No pajamas will be permitted** (except on spirit days as determined).
 - Inseam of shorts shall be at least 3 inches and skirts must be mid-thigh level
 - No sheer, strapless, backless, or low cut tops that reveal skin
 - No bare midriffs
 - Shirt straps on both shoulders must be a minimum of 1 inch in width
 - No "sagging" pants which allow for the exposure of undergarments or bare skin
5. Clothing shall not be worn that implies gang affiliation with colors, logos, or symbols.
6. Hats, head coverings, and sunglasses may be worn outside, but require removal in

classrooms and all school buildings (exception for headgear worn for religious or medical purposes). Students who fail to follow the above rules will be given alternative clothing to wear or be sent home to be properly prepared before being admitted to class.

7. No cut off shirts or shirts exposing undergarments.

Students who fail to follow the above rules will be given alternative clothing to wear and a call home will be made before being admitted to class.

FIRE DRILLS

Fire alarm boxes and evacuation routes are located in each building/classroom. The State law requires that practice fire drills be held once each semester. An intermittent tone signals a fire drill. During the drill, the students will pass in an orderly manner from the building via the nearest exit and remain in a group about fifty feet from the building. The teacher will see to it that all windows and doors are closed and then remain with the class. The return signal denoting the end of the fire drill will be one long tone. A fire drill is a serious affair. The students must conform as directed.

GRADING POLICY

Teachers are experienced in grading and will evaluate the student's progress fairly and accurately. Any questions about grades should be discussed directly with the teacher.

The following grades and credits can be earned each semester at this school:

- A and 5 credits for superior work
- B and 5 credits for above average work
- C and 5 credits for average work
- D and 5 credits for below average work
- F and 0 credits for failure
- P and 5 credits for being enrolled in a Pass/Not Pass class
- NP and 0 credits for failure in a Pass/Not Pass class
- NG and 0 credits for being enrolled in a class less than ten days
- NM and 0 credits for being enrolled in a non-credit class or in a class less than ten days
- I and 0 credits for incomplete work. An "I" becomes an "F" nine weeks into the next grading period if it is not made up. End of year incompletes must be made up prior to the end of summer-school session.

Grades are important and every effort should be made to earn the best grades possible. Academic achievement, homework, conduct, attendance, and punctuality will make the difference between a high semester grade and a low one.

Valedictorian and Salutatorian will be based on grades through the third quarter of the Senior year. To be eligible a student must have attended ENHS for a minimum of 6 semesters.

GRADE REPORT TO PARENTS

With the district's implementation of AERIES, parents are able to review their student's grades and attendance in real time with the AERIES Parent Portal. Information and instructions to obtaining a student's ID number as well as verification code will be distributed at the beginning of the school year. The information can also be found on the East Nicolaus High School Website under Resource Links – Aeries Parent Portal.

HONOR ROLL

In determining Honor Roll standings, all semester grades are counted except those in Study Hall and Teacher/Office Assistants. An "A" earns four points; a "B" three; a "C" two; and a "D" one. If your total grade point divided by the number of subjects taken equals 3.0 or more, you are eligible for Honor Roll. Honors Classes earn 5.0 points for an "A", 4.0 points for a "B", 3.0 points for a "C" and 1.0 points for a "D".

PRINCIPAL'S SCHOLARS

The Principal's Scholars are those students who have achieved a grade point of 3.57 or above in 35 credits or more per semester. To achieve this honor, a student must have four "A's" and three "B's" or better or 3.66 in credits and have four "A's" and two "B's" or better. The student will receive an honor certificate for the highest level achieved.

IMMUNIZATIONS

All students are required to be adequately immunized against polio, diphtheria, pertussis (whooping cough), tetanus, and measles (rubella). California State law does not allow the enrollment of any student who is not properly immunized; he or she will be excluded from school until the immunizations are obtained.

INDEPENDENT STUDY

Although we encourage students to attend school without undue interruption, there are times when a student may need to miss several consecutive days of school. In order to avoid unexcused absences, a student may request an "Independent Study Contract." Students can only be granted independent study for planned absences a minimum of **five or more consecutive school days, and a maximum of 10 school days per school year**. In order to receive Independent Study, **a parent must submit a request at least one week prior to departure**. The student will be given a master agreement to take home. Once the contract is signed and returned, the student will be given a form to take to his or her teachers requesting work for the time she/he will be gone. The student needs to bring these assignment sheets to the office **prior to departure** so copies can be made and filed. While absent, the student should complete the assigned work which **must** be turned in to the various teachers **the day the student returns to school**. Independent Studies will only be granted for up to two weeks per school year.

INJURIES

If you receive an injury at school, notify the teacher immediately. If it is sufficiently serious, the school will notify your parents and arrange for you to be taken to the doctor. Even if the injury is minor, it is necessary to report it, since an accident report must be filled out by the teacher. The School District no longer provides insurance for pupil injuries.

INTERDISTRICT POLICY

Requirements for Students Requesting Attendance at East Nicolaus Joint Union High School on an Inter-district Agreement **BP/AR 5121**

In addition, the student may face both civil and criminal liability from ENHS, from law enforcement officials, or from individuals whose rights are harmed by the violation.

LEAVING CAMPUS

If it is necessary for a student to leave the school during the school day, that student must obtain official permission to do so. Early dismissal passes are available at the office. Early dismissal passes will be issued only for health reasons or when a student brings a note from his/her parent/guardian asking that the student be excused. Permission to leave school for lunch only will be denied. Students **must** get an early dismissal from the office prior to leaving campus. (This rule applies even when the student is being picked up by their parent/guardian.) **If a student leaves campus without an early dismissal, it will be considered a cut absence.**

LOAN OF EQUIPMENT

Students will not be loaned any item of consequence belonging to the school unless they have obtained written office permission. Office permission for a student loan will be granted only in the exceptional instance for an educational purpose.

LOCKERS

Lockers are provided so that each student shall have one in the main campus area for books and one in the gym for P.E. equipment. Student locks are assigned at the beginning of each school year. Students are responsible for reimbursing costs for lost or damaged locks. It is the students' responsibility to secure their locker. The school is not liable for replacing stolen property. If a reasonable cause exists, then as provided by law, lockers may be searched by school authorities. Searches may include physical searches and external searches by the use of specially trained dogs with the assistance of a trained dog handler. All lockers will be assigned by the office only. Rules for use of lockers are as follows:

1. Students shall keep their lockers locked. Do not jam paper or other materials into the locker lever to keep it from locking. A few seconds of time usually can save you a loss and prevent someone from becoming a thief.
2. Students must use assigned lockers only.
3. Lockers must be kept clean and neat. All books must be kept in lockers at all times. Books found outside lockers will be confiscated and a one-hour detention assigned.
4. Lockers remain school property and are subject to inspection at any time.

PHYSICAL EDUCATION POLICIES

Board policy requires all students to participate in twenty units of physical education. Any student with a valid health excuse signed by a parent, guardian, or doctor will not be required to participate. Excuses signed by a parent or guardian are limited to two days. It should be kept in mind, however, that physical education is a participation class; attendance, therefore, is an item of prime importance.

Students will be assigned a separate equipment locker and lock for PE. Locks must be maintained at all times. Students are responsible for reimbursing costs of lost or damaged locks. Dress code: PE clothes will consist of a plain red shirt and black mid-thigh or knee-high shorts and/or red East Nicolaus t-shirt and black shorts. Spandex shorts are not appropriate PE shorts. P.E. REGULATIONS

1. Have an appropriate uniform properly marked with the student's name for identification.
2. Wash gym clothes weekly.

3. Suit up every day unless specifically excused by a physician or parent. A note with the date and signature of the parent or guardian, stating why the student should be excused is all that is necessary. This excuse is good for two days. A physician's excuse will be good as long as the doctor deems necessary.
4. Cooperate with the teacher and fellow students.
5. Participate in class activities to the full extent of your ability.
6. Keep the P.E. locker locked at all times. Students are responsible for lost articles. Keep belongings locked up at all times. Do not bring valuables to school.

This may affect eligibility for athletic participation.

Academic advising services that will enable each student to receive the best education for his individual needs are available. Students may request an interview with the counselor whenever it is felt necessary. Students may also be called in for guidance during the year.

Students planning to attend college should confer with the counseling office at least twice each year to make sure the proper courses are taken. Students who wish special information on trade schools, special vocations, military service, should consult with the counselor for full information regarding their vocational plans. Parents are invited to meet with the Learning Director by appointment whenever it is felt that such a meeting would assist the student. Students that are planning on making college campus tours/visits must submit for approval an Excused Absence Request for College Visit form from the Learning Director at least five school days prior to the absence, with a maximum of three visits or five school days whichever is greater.

The Learning Director will discuss course needs or any other school problems with students and students are urged to take advantage of this service. Resources are available to help students regarding any concerns.

STUDENT VISITORS

There will be no on-campus visitor passes issued during school hours.

TECHNOLOGY USE POLICY

East Nicolaus High School understands the importance of technology in preparing students for the 21st century. In an effort to support faculty in a distraction free learning environment in the classroom the following policy will be utilized:

East Nicolaus High School is a cell-phone free campus during classtime. Students may not bring phones into the classroom, they must be kept in their lockers. Cell phone use is only allowed before school, during passing periods, nutrition break or after school.

Students not respecting this rule during the school day will be asked to turn in the device (must be picked up by parent) and be issued detention based on violations.

TEXTBOOKS

Students are expected to take good care of the textbooks assigned to them by their teachers. Students' names should be clearly written along with the condition of the book in ink inside the front cover. Book covers shall be kept on the textbooks at all times. Teachers will check textbooks at the end of the year to determine if any remuneration is necessary for book loss or damage.

Important-*Regardless of the reason for loss or damage, the responsibility for textbooks rests entirely upon the borrower.* Students who have failed to pay any fine or charges for library books, textbooks, uniforms,

equipment, etc., will not be permitted to participate in sports, extracurricular activities or graduation exercises, and will not receive a diploma until all the charges are cleared.

VOLUNTEER DRIVERS

Volunteer drivers must complete a packet of information and include copies of insurance limits and driver's license. Packets are valid for the current academic year only. All volunteer drivers must be fingerprinted. In addition, non-ENHS students over the age of 18 riding in the automobile with students must be fingerprinted.

WITHDRAWAL FROM SCHOOL

Students withdrawing from school before the end of the school year will secure a checkout form from the Main Office. This form requires your new address, when the family is moving, the reason for the transfer or withdrawal, and the name of the school you will be attending, if known, and parent signature. All schoolbooks, school issued locks, supplies, library fines, outstanding school bills, athletic gear and materials cost must be returned in good condition or paid in full before the student will be cleared for withdrawal. Records of students transferring will not be sent to the next school until all materials are returned or paid for.

WORK PERMITS

Students who do hired work must possess a valid work permit if they are under eighteen years of age. Work permits allow students to work after school, during vacations and on weekends. The amount of hours a student can work is dependent upon the age of the student and type of work performed. Work permits are available in the administration office upon presentation of a Social Security number and a work permit request form signed by a parent or guardian requesting the school to issue the permit. California's Child Labor laws protect teens under the age of 18 from working too long, too late, or too early. Information concerning Laws and Regulations Governing the Employment of Minors can be obtained from the District office, Department of Education, and California Labor Code. Students must maintain good attendance habits, and have a grade point average of at least a 2.0 to qualify for a work permit in the main office. Please allow 5 working days for permits to be granted.

All outside final course grades (college or independent study) intended for diploma credit must be submitted one-month prior to the end of the grading period.

SENIOR ATTENDANCE, ACTIVITIES, AND SENIOR SNEAK AGREEMENT

All seniors shall abide by the following terms and conditions while attending senior functions. Seniors and their parents are to read, sign and return this agreement during the first two weeks of the school year.

Attendance at Prom, Senior Sneak, etc :

Seniors will ensure that all rules and regulations required of any student attending East Nicolaus Joint Union High School District will be followed.

Students are required to attend at least 50% of classes all day on the day prior to Senior Sneak

and Prom.

Each senior **MUST** meet the following eligibility requirements:

- Each senior is required to maintain strict adherence to the discipline policy committing no serious offenses.
- Each senior must complete and pass the senior project.
- Each senior is required to maintain at least a 2.0 grade point average in **EACH** of the following grading periods:
 - 1) First Quarter (Ends 10/14/16)
 - 2) Second Quarter/Fall Semester (Ends 12/23/16)
 - 3) Third Quarter (Ends 03/17/17)

- Each senior must complete a Senior Project with a passing grade.

SENIOR GRADUATION PARTICIPATION AND DISCIPLINE AGREEMENT

All seniors who wish to participate in graduation ceremonies and receive a printed diploma, must meet the following criteria:

- Intra-District and Inter-District Transfer seniors must have enrolled at East Nicolaus High School no later than the beginning of the last semester of school attendance.
- Graduation credit requirements are 240 semester credits at East Nicolaus High School. Credits earned from another high school or from approved college course work shall be calculated considering District policy.
- All seniors must pass the Senior Project.
- Any senior who has been suspended 3 or more days during the school year will not be eligible to participate in graduation ceremonies.
- **All seniors must meet the minimum period attendance threshold of 92% for the current year enrolled. Both excused and unexcused absences (e.g. funerals, bereavement, doctor/dentist, suspension(s), factor into this minimum period attendance percentage.** Absences due to school-sponsored trips and/or activities and college placement exams do not factor toward the 92% attendance requirement. Student visits to an accepted college campus must be approved by administration to not factor toward the attendance requirement. 92% attendance for a 180-day school year means that seniors must attend 1159 out of 1260 scheduled periods. **Seniors may not miss more than the equivalent of 15-school days to be eligible to participate in graduation ceremonies and receive a diploma.** Those students attending a zero period or 8 periods daily will need to attend 1324 of the 1440 periods to be eligible to participate in graduation ceremonies and receive a diploma. Attendance for all seniors will be calculated on the number of FULL TIME classes in which they are enrolled.
- Illness where home-hospital study is required may constitute an allowance.
- A senior must not be under suspension at the time of graduation rehearsals and ceremonies.
- A senior on contract in lieu of expulsion or on a stipulated expulsion, with a condition of no extra-curricular activities for 30 days, shall not participate if the activities and /or ceremony fall within the 30-day period.
- All seniors must have outstanding bills cleared (lunch charges, lost locks, missing books.)

- A senior must attend all graduation rehearsals and must behave in an appropriate manner during rehearsals and the graduation ceremonies.
- Failure to follow the rules established for graduation will result in the withholding of the student's diploma.

It should be noted that parents and relatives wait many years to see and hear their loved one's name called during graduation from high school. This is a once in a lifetime event and those seniors whose behavior disrupts this opportunity may be asked to leave the ceremony.

Behaviors such as excessive talking, throwing objects, beach balls, possessing or using noise makers, expelling accelerants, such as silly string are examples of behaviors that will not be tolerated during the graduation ceremonies. Graduates who participate in such behavior may be asked to leave the ceremony.

Specific contract rules of conduct will be provided in writing by the senior advisors, approved by the Superintendent/Principal, and provided to each graduating senior prior to graduation (see below). These rules are to be strictly followed and will be rigidly enforced.

Seniors who are deemed ineligible may appeal the decision in writing. The appeal must be submitted to the Superintendent/Principal. The appeal procedure is located with the forms at the back of this handbook.
