Dear East Nicolaus High School Community,

On behalf of the East Nicolaus High School Board of Trustees, administration, faculty, and staff it is with great excitement that we share the passing of Measure "W" with a 65.2% passage rate.

A great deal of thanks and gratitude for their tireless work goes to Measure "W" co-chairs Cindy Gander and Jennifer Wells who ran a brilliant campaign and worked countless hours to ensure that information was shared about East Nicolaus High School's aging facilities and the need for Measure "W".

With the passage of Measure "W" the next phase will be selecting the Oversight Committee.

The purpose of the Oversight Committee is to be independent, to review expenditures, to make recommendations to the District and Board on construction and cost efficiencies, and to annually report to the public of its activities.

(Proposition 39 & Education Code 15264)

Attached you will find the Oversight Committee application, please consider applying for this local community committee that will support East Nicolaus High School's utilization of Measure "W" funds.

Again, thank you for your support of Measure "W" and East Nicolaus High School. We look forward to the future of this campus for decades to come!

With Spartan Pride,

A handwritten signature in blue ink that reads "Karen Villalobos".
