

East Nicolaus High School Reopening Plan 2020-2021

East Nicolaus High School will reopen on Thursday, October 29, 2020. This plan covers all reopening procedures. As a district, we will move into a Traditional Model (with restrictions) followed by a Traditional Model (without restrictions) as quickly as we can in accordance with state mandates and county clearance as well as what is most practical for our district.

Our plan and timeline to reopen aligns with other districts in our region and our District works collaboratively with the Yuba/Sutter Public Health Officer to meet recommended safety measures and protocols to help slow and reduce the spread of COVID-19 during the continued pandemic. In this plan you will not only see the safety measures we have in place for our site and events, but also the supports we have in place should a student become ill or live in a household with an infected family member and need to have an extended absence.

At ENHS, we pride ourselves in having a wide variety of educational options for our students and now is no different. We are sure that whatever your student or family may be facing, we have a solution for them. As with all best laid plans, this plan is subject to change and growth in this ever-changing pandemic environment.

ENHS meets the California Department of Education's Checklist for Reopening:

The following checklist covers the main categories:

- ✓ Local Conditions to Guide Reopening Decisions
- ✓ Plan to Address Positive COVID-19 Cases or Community Surges
- ✓ Injury and Illness Prevention Plan
- ✓ Campus Access
- ✓ Communication with Students, Parents, Employees, Public Health Officials, and the Community
- ✓ Protective Equipment
- ✓ Physical Distancing
- ✓ Cleaning / Disinfecting
- ✓ Employee Issues
- ✓ Hygiene

ENHS Board Approved 10/21/2020

Mark Beebe, Superintendent/Principal | Preet Cheema, Director of Student Guidance
Neil Stinson, Director of Student Services

Facial Covering for Reopening Plan

Facial Coverings are required for Stage 1-3 of the ENJUHSD Reopening Plan

We want to keep our students and staff as safe as possible. The following is a bullet point list of what is acceptable and what is not. According to the CDPH [Covid Guidance](#) an acceptable face covering includes cloth face coverings and surgical masks. A face covering must be worn when on campus.

Wearing a face covering prevents a person from spreading respiratory droplets while talking, singing, breathing or coughing. Facial coverings primarily protect other people in case the wearer is asymptomatic or unknowingly infected with COVID-19.

All ENJUHSD staff and students are required to wear a facial covering while on a school campus. If a student or staff member is unable to wear a facial covering due to medical reasons, the medical exemption issued by a physician must be on file in the school office. Students who are medically exempt will need to have some form of facial shield to mitigate possible transmission. We would be happy to work with our parents and students regarding these issues.

Facial coverings should be worn at all times including:

- While on our school site
- While entering or exiting the school grounds
- While on the school bus
- While engaged in work and interacting in person with another person
- While working in any space visited by multiple people

Acceptable forms of facial coverings include:

- Cloth facial coverings (*with two or more layers*)
- Disposable surgical masks
- Facial shields **WITH** a drape tucked into the student's shirt

Facial coverings NOT allowed on campus include:

- Bandanas
- Masks with exhalation valves or vents
- Facial shields **without** a drape included (*see guidance below*)

We expect our students and community to comply with this guidance as directed by Yuba / Sutter and CDPH departments. We will provide masks for those students who forget them. If a student refuses to comply, we will call home and have the parents discuss the situation and hopefully it will be resolved. If the student continues to refuse to comply, we will then send the student home and have further discussions regarding optional educational alternatives.

ENHS Board Approved 10/21/2020

Custodial Practices and Procedures

ENHS Maintenance and Operations takes great pride in the care and cleanliness of our facilities. In this plan we highlight some key areas on which we are focusing, and additional procedures, equipment, and practices being added to ensure a safe return to school.

- Hand Sanitizing Stations in all classrooms, gyms, labs, offices, etc.
- Disinfecting Spray Bottles and paper towels in all classrooms, gyms, shops, offices, etc. for student and staff interim disinfecting.
- Disinfecting Foggers on site for daily disinfecting.
- Soap and Paper Towel Dispensers checked and stocked regularly.
- Classroom furniture arrangements to improve distancing capabilities.
- Student and staff face coverings available for those who request or require them for their own personal use at school or work.
- Removal of unnecessary furnishings and clutter from classrooms and office areas.

In addition to daily cleaning and disinfecting from custodial staff, everyone will work to clean and disinfect frequently touched surfaces regularly. This includes desk, tables, doorknobs, light switches, countertops, handles, phones, keyboards, faucets, and sinks. Detergent or soap and water will be used prior to disinfection. Disinfecting solution and towels will be in every classroom, office, and common areas. Both students and staff should take precautions to wipe their areas down after use.

ENHS Board Approved 10/21/2020

Mark Beebe, Superintendent/Principal | Preet Cheema, Director of Student Guidance
Neil Stinson, Director of Student Services

Website: www.eastnicolaus.k12.ca.us Questions? Email: spartan.questions@eastnicolaus.k12.ca.us

Students, Staff, and Visitors

Wash Your Hands Often

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

Cover Coughs and Sneezes

- Avoid touching your eyes, nose, and mouth with unwashed hands. If you are in a private setting and do not have on your face covering, remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

Monitor Your Health

- Be alert for symptoms. Watch for fever, cough, shortness of breath, or other symptoms of COVID-19. Use the CDC Self-checker to help you.
- Take your temperature daily. Temperature checks will be part of the daily check in process (see Daily Check-In Process).
- Don't take your temperature within 30 minutes of exercising or after taking medications that could lower your temperature, like acetaminophen.

Clean and Disinfect Regularly

- In addition to daily cleaning and disinfecting from custodial staff, everyone should clean and disinfect frequently touched surfaces regularly. This includes desk, tables, doorknobs, light switches, countertops, handles, phones, keyboards, faucets, and sinks.
- If surfaces are dirty, clean them. First, use detergent or soap and water prior to disinfection.
- Disinfecting solution and towels will be in every classroom, office, and common areas. Both students and staff should take precautions to wipe their areas down after use.

Cover your mouth and nose with a Face Covering when around others

- Although it is now considered rare, you could spread COVID-19 to others even if you do not feel very sick.
- The face covering is meant to protect other people in case you are infected.
- Face coverings should not be placed on anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the face covering without assistance.
- Face coverings should not be worn during strenuous exercise such as during PE or athletic practices.
- Students and staff **MUST** wear face coverings when riding on buses and vans. As of 10/29/2020 face coverings are required for students and staff. In the event face coverings are encouraged but not required, face coverings will be required on buses each day until the student arrives on campus and goes through the check-in procedure.

ENHS Board Approved 10/21/2020

Classroom Logistic and Practices

ENHS believes that classroom-based instruction and the structure of attending school on a daily basis is critical to our students' educational and social-emotional well-being. To ensure they can have that opportunity, we have implemented some of the following practices for our classroom spaces. ENHS has a wide variety of classroom spaces including traditional classrooms, labs, shops, etc. We ask for all staff to abide by the following guidance to the degree practicable for their space. The following serves as guidance, but each space has nuances that staff members will take into consideration as they prepare their rooms. Although classroom spaces are being cleaned and disinfected daily by custodial staff, these additional practices are designed to increase safety throughout the day.

Classroom Arrangements:

- To the degree practicable, all student desks and tables should be arranged to allow for maximum student to student distancing.
- All students should face the same direction rather than sitting in groups or facing each other.
- In shops, gyms, etc. consider taking attendance and providing instruction in larger spaces or outdoors rather than classroom seating.
- Disinfecting supplies, hand sanitizer, and classroom plans for cleaning between classes will be in place.
- Ensure equipment cleaning and disinfecting practices by students and staff in gyms, labs, and shops are followed. There will be no dressing down until further notice in our P.E. classes.
- Classrooms need to be free of any additional or unnecessary furniture or clutter that may get in the way of distancing or disinfecting practices.

Instructional Practices:

- Although we know cooperative learning is a best practice, during this time, students should not participate in cooperative learning structures that require physical contact or close proximity.
- During this time, consider assignments and projects that reduce the need for collaboration and sharing of materials.

Classroom Arrangements:

In situations in which a student may become ill and need to stay home for an extended period of time or if a family member is ill and the student is asked to stay home until they are cleared to return, it will be critical that simple access to classwork be available. Also, in a worst-case scenario in which the school would be forced to close for a period of time, instruction needs to remain as seamless as possible. Using Google Classroom extensively can aide in this case. To that end, students and teachers SHALL:

- Ensure Google Classroom and some APEX is being utilized as part of or in tandem with daily in-class instruction.
- Students and parents must ensure that student devices are readily accessible and able to connect to Wi-Fi and check both Gmail and Google Classroom daily and some APEX.
- Reinforce student use of Google Suite Apps, particularly Google Docs to align with Google Classroom usage.
- Reinforce the use of student Gmail as the common means of student communication.

Classroom Logistic and Practices (cont.)

Our schools include many areas for student daily activities including cafeterias, gyms, quads, libraries, etc. Areas will be clearly marked with reminders to distance along with general safety protocols to remind students of the importance of proper hygiene and personal protection. These spaces are cleaned and disinfected daily, but we will take extra precautions to promote distancing and cleanliness around campus and all facilities.

Common Area/Quad

- Areas will be clearly marked with reminders to distance along with general safety.
- Water fill stations will still be available although water fountains may be blocked.
- Restrooms will remain stocked with proper handwashing supplies.
- Students in close proximity or close physical contact will be asked to separate.
- Some tables and spaces may be closed or have some seats closed.

Ag Barn / Labs

- Areas will be clearly marked with reminders to distance along with general safety.
- Students and staff will be provided training and guidelines to wipe down and disinfect equipment between uses.
- Only students are allowed at the facility when caring for an animal.

Cafeteria / Food Service

- Students will be served nutrition break and a grab-n-go lunch.
- Food service workers will wear appropriate personal protective equipment.
- Even though meals are free until the end of the school year, we ask that you please complete the Meal Application. It can be found on our website under the Parents tab.

Athletic Facilities, Gym, and Weight Room

- All gyms and workout areas will have disinfecting supplies.
- Staff will be provided training and guidelines to wipe down and disinfect equipment between uses.

School Office

- ENHS will be limiting outside guests to individuals or agencies providing direct services to our students.
- Parents and guardians will be limited to waiting areas in offices unless they have an appointment on campus with an individual.
- All guests must wear face coverings until the guidance from CDPH says otherwise. Guests will go through the Check-In Process if they are interacting with students and staff.

ENHS Board Approved 10/21/2020

What Happens When a Student Becomes Sick?

As we learn more and more about the virus, we now know that our youth are least affected and generally recover quickly. We also know much more about how the disease spreads and for how long a person may be contagious. With that knowledge, we are well prepared for what to do when a student or staff member exhibits symptoms or tests positive for COVID-19. Students, staff, and parents need to remember to self-screen daily. If they are exhibiting symptoms, they need to stay home and schedule an appointment with their health care provider to determine if they need to be tested.

Students should not be physically present if any of the following symptoms are present. Additionally, students should not be physically present if they have been exposed to anyone with a confirmed positive COVID-19 test within the past 14 days.

COVID-19 Symptoms Include:

- Fever (100.4 degrees or higher) or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

This list does not include all possible symptoms. Health officials will continue to update this list as we learn more about COVID-19.

If a student or family member within the household tests positive for COVID-19:

1. Seek medical care from your healthcare provider in accordance with CDC and County Guidelines.
2. Alert the school administration as quickly as possible to ensure the student can be provided with resources and to get started on Independent Study.
3. Student should not come to school until they have been cleared to do so by your healthcare provider. If a family member is the one who is sick, you must follow the guidance from Public Health prior to returning to school.

If a student becomes sick while at school or begins to exhibit any symptoms:

Student will be sent directly to the Front Office where they will be:

- a) Evaluated by Office Staff.
- b) Recommended for testing for COVID-19. School will contact public health to determine next steps.
- c) Asked whom they have been in close physical contact with (i.e. shared food or beverage, held hands, hugged, etc.)
- d) Held in isolation area until a parent/guardian can come to pick them up.
- e) Asked to remain home until test results either clear the student to return or confirm a positive case.

Students sent home for exhibiting symptoms or awaiting test results will be provided Long-Term Independent Study while they are out.

Only students who were in close physical contact with any student who tests positive or exhibits symptoms will be monitored. Being in the room with someone who was ill does not constitute close physical contact.

ENHS Board Approved 10/21/2020

Neil Stinson, Director of Student Services

Website: www.eastnicolaus.k12.ca.us Questions? Email: spartan.questions@eastnicolaus.k12.ca.us

What Happens When a Staff Becomes Sick?

Staff should not be physically present if any of the following symptoms are present. Additionally, staff should not be physically present if they have been exposed to anyone with a confirmed positive COVID-19 test within the past 14 days.

COVID-19 Symptoms Include:

- Fever (100.4 degrees or higher) or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

This list does not include all possible symptoms. Health officials will continue to update this list as we learn more about COVID-19.

If a staff member or family member within the household tests positive for COVID-19:

1. Seek medical care from your healthcare provider in accordance with CDC and County Guidelines.
2. Alert the school administration as quickly as possible.
3. Staff should not come to work until they have been cleared to do so by their healthcare provider. If a family member is the one who is sick, you must follow the guidance from Public Health prior to returning to work.

If a staff member becomes sick while at work or begins to exhibit any symptoms the staff member will be sent home, asked to remain home until test results clear the staff member.

By arriving at work/any East Nicolaus High School facility, staff members affirm they have not had, or been exposed to anyone with, any of the symptoms listed above in the past 14 days. Furthermore, staff agrees to wear a face covering.

ENHS Board Approved 10/21/2020

Daily Check-In Process for Students

Student will be temperature checked every morning (100.4° is the maximum temperature to stay at school) before entering on campus (at student parking lot and front drop off). Once on campus, students will be required to keep a 6' social distance during breaks and passing periods.

Students will not be allowed in the class once tardy bell has rung and will need to go to the office to check in if they are tardy and get their temperature checked.

Face coverings are required for students and staff.

Daily Check-In Process for Staff

Certificated and Classified: Temperature Checks for Staff when arriving to campus (conducted by Office staff) – 100.4° is the maximum temperature to stay at school – Staff must have temperature taken prior to starting their day.

If a staff member becomes sick while at work or begins to exhibit any symptoms the staff member will be sent home asked to remain home until test results clear the staff member.

By arriving at work/any East Nicolaus High School facility, staff members affirm they have not had, or been exposed to anyone with, any of the symptoms listed above in the past 14 days.

Furthermore, staff agrees to wear a face covering.

ENHS Board Approved 10/21/2020

Athletics and Extracurricular Activities

ENHS believes that classroom-based instruction, athletics, FFA, and other extracurricular and co-curricular activities play an integral role in student educational success and social-emotional wellbeing. Therefore, we have already resumed these types of programs, including conditioning, and meetings with additional safety protocols in place.

Coaches, Assistants, etc. will receive additional guidance as to safety protocols in alignment with the National Federation of State High School Association's (NFHS) Guidance and California Interscholastic Federation (CIF) Guidance. Some protocols include, but are not limited to:

- Daily Health Screening
- Daily Equipment Disinfecting
- Hand Sanitizer in Facilities
- Locker room cleaning/storage practices
- Hydration and hygiene practices
- When and when not to wear face coverings

Athletic Contests/Games

Teams will be allowed to play other schools in our leagues that also plan to allow athletics. The NSCIF Board of Managers have approved the Sports Calendar for the 2020-21 school year to begin December 7th, 2020. Please continue to check on the Athletic link of the ENHS website or check in with your student-athlete's coaches.

See 2020-2021 Fall Sports Schedule on next page.

Transportation Practices and Procedures

ENHS remains committed to transporting its students to and from school and to school events. There has been much debate about how students could be socially distanced on school buses across the country with some districts opting out of bussing altogether for the next school year. Although ENHS is not required to provide bussing to all students, we know that it is in our best interest to continue doing so. However, there is not a realistic or feasible way in which we can substantially distance students on our school buses. Parents of students that wish to ride the bus will be asked to sign a waiver for transportation. Therefore, it is solely the student's and parent's choice to ride the bus. Parents and students who are not comfortable with riding the school bus will need to walk or be transported by parents. For those who do plan to continue riding the bus, we have these safety measures in place:

- Disinfecting and cleaning after each route.
- Hand sanitizer on each bus.
- Open windows on buses as much as practicable, weather permitting
- Adjusted routes and possibly expanded routes to reduce more congested stops.
- Face coverings are required for students and staff. In the event face coverings are encouraged but not required, face coverings will be required on buses each day until the student arrives on campus and goes through the check-in procedure.
- Any student exhibiting symptoms associated with COVID-19 will be sent directly to the Front office.

ENHS Board Approved 10/21/2020

East Nicolaus Joint Union High School District

2454 Nicolaus Avenue, Nicolaus, CA 95659 | Phone (530) 656-2255 | Fax (530) 656-1065

Office Practices and Procedures

Our school and district offices are here to support students and parents. However, during this time, it is critical that we reduce the number of outside visitors to our sites as much as possible. To assist in this, we ask that parents and guardians:

- Use phone calls and emails as often as possible to handle office communication and attendance.
- When coming on campus we ask that parents and visitors limit the number of people in the office. Please follow the 6' social distancing rule while on campus.
- Ensure all contacts are up to date in case we need to contact you or an approved contact for student pick-up.
- Limit school visits to just one family member.
- Wear a facial covering.
- Remain in designated areas only.

General Office Protocols

- Distancing signage and markers
- Hand Sanitizer Stations
- Wipe down and disinfect desks and chairs after office visitors
- Facial Coverings available for guests who need one
- Additional Spacing or Partitions for first point of contact areas

COVID-19 Risk Analysis Plan

Job/Task	Potential Hazard	Recommended Actions/Procedures
<p>Normal Job Tasks/Duties</p> <p>Administration, Certificated, Classified and Confidential Staff</p>	<p>Exposure to COVID-19</p>	<ol style="list-style-type: none"> 1. I will complete the COVID-19: How to Protect Yourself and Others training provided to me by the District through Public School Works. 2. I acknowledge that: <ul style="list-style-type: none"> • All employees must wear face protection at all times when near others in the workplace. • Work areas will be disinfected daily by custodians: offices, counters, staff room, restrooms, doors and other common high- touch areas. Hand sanitizer and access to soap and water will be provided. Disinfecting spray bottles and paper towels will be available in all classrooms, gyms, shops, offices, etc. for student and staff interim disinfecting. • Employees will regularly wash hands with soap and water for at least 20 seconds. • Reusable face coverings should be cleaned and dried daily. • Employees will use hand sanitizer as necessary. • Employees should maintain a 6’ or more distance from other employees. Employees are required to complete an illness/health <u>self-assessment</u> at home each day, prior to beginning work, by reviewing the 5 questions below. <ol style="list-style-type: none"> a. Are you experiencing any symptoms such as current or recent fever (100.4° or higher), new or worsening cough, new or worsening shortness of breath or respiratory illness, sudden lack of taste or smell, sudden onset of unexplained gastrointestinal illness? b. Have you been in close contact** with anyone who has been diagnosed with COVID-19? c. Have you been in close contact** with anyone who is experiencing symptoms of COVID-19, but is yet to be confirmed? d. Are you living with – or, in close contact** with anyone such as a family member who is experiencing symptoms or has been confirmed as positive for COVID-19? e. Have you traveled outside of the continental United States within the past 14 days? <p>If you answered yes to any of the above, please contact your immediate supervisor prior to coming into work.</p>

***The CDC defines close contact of COVID-19 as any individual who was within 6 feet of an infected person for at least 15 minutes starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated.*

ENHS Board Approved 10/21/2020

Distance Learning Options for Students

Although we believe that classroom-based instruction is still the best option for students from an educational and social-emotional standpoint and that our campus will provide a safe learning environment for our students, we are aware and prepared for students and parents who may not feel ready to physically return to school daily. We also want to ensure that we have options for students who may be medically fragile or have compromised immune systems. ENHS has an option to meet the needs of these families.

The Bullet Points below will augment and establish a one-year (Academic year 2020-2021) protocol for Independent Study. We will use the same master agreement as stated below in the brief outline from the Student handbook. The above is only an amendment in relationship to the requirements of SB 98 adopted by the California Governor and State Legislature in July of 2020.

Independent Study (*page 13*) 2020-2021 ENHS Student Handbook

Although we encourage students to attend school without undue interruption, there are times when a student may need to miss several consecutive days of school. In order to avoid unexcused absences, a student may request an "Independent Study Contract." Students can only be granted independent study for planned absences a minimum of **five or more consecutive school days, and a maximum of 10 school days per school year**. In order to receive Independent Study, **a parent must submit a request at least one week prior to departure**. The student will be given a master agreement to take home. Once the contract is signed and returned, the student will be given a form to take to his or her teachers requesting work for the time she/he will be gone. The student needs to bring these assignment sheets to the office **prior to departure** so copies can be made and filed. While absent, the student should complete the assigned work which **must** be turned in to the various teachers the DAY the student returns to school. Independent Studies will only be granted for up to two weeks per school year.

ENHS and Student will:

- Adopt a learning continuity plan and attendance plan that includes plans for the distance learning program
 - ENHS has adopted an LCP plan in September 2020 and amended in October 2020
 - Distance Learning Model - Until Sutter County is able to reopen schools, which as of October 21, 2020 will become a reality on October 28, 2020. ENHS plans to reopen for on-site in person education on October 29th, 2020.
- Track and report daily participation
 - Through the use of APEX and other paper resources for elective classes, students will be monitored by their progress; Weekly interaction with their Independent Study teacher will provide additional layers of support and guidance.

ENHS Board Approved 10/21/2020

East Nicolaus Joint Union High School District

2454 Nicolaus Avenue, Nicolaus, CA 95659 | Phone (530) 656-2255 | Fax (530) 656-1065

- Maintain a weekly engagement record for each student documenting synchronous or asynchronous instruction for each whole or partial day of distance learning, verifying daily participation, and tracking assignments
 - Through the use of APEX and other paper resources for elective classes, students will be monitored by their progress; Weekly interaction with their Independent Study teacher will provide additional layers of support and guidance.
- Schedule students for a minimum days' worth of assignments each day as certified to by a certificated employee.
 - Under SB 98, students will receive 240 minutes of either a combined synchronous and asynchronous instruction.
- Develop written procedures for tiered reengagement strategies for all pupils who are absent for more than three school days or 60 percent of the instructional days in a school week
 - All students are tracked attendance wise through Aeries, our student SIS portal, and if absent more than 3 consecutive days and or 60% of the week, effective outreach and communication process begins to find students. If unsuccessful then student will be referred to the SARB process.
- Provide either daily live interaction or develop an alternative plan for frequent live interaction
 - Students who choose to go on to Independent study instead of on-site learning will be placed in our APEX online platform and/or under short-term independent study that is paper and packet driven.
- Confirmation or provision of access for all pupils to connectivity and devices adequate to participate in the educational program and complete assigned work
 - All students will be given a Chromebook, hotspot, and be provided with IT support if needed.

ENHS Board Approved 10/21/2020

Mark Beebe, Superintendent/Principal | Preet Cheema, Director of Student Guidance
Neil Stinson, Director of Student Services
